International Society on Toxinology

President: Dr Franc Gubensek, Department of Biochemistry, J. Stefan Institute, Box 199/IV, Ljubljana 61.000, Slovenia.
Secretary-Treasurer: Dr D. Mebs, Zentrum der Rechtsmedizin, Kennedyallee 104, 6000 Frankfurt am Main 70, Germany.

The purpose of this society is to advance knowledge on the properties of toxins and antitoxins and to bring together scholars interested in these substances through a common society. Membership consists of those who have conducted and published meritorious original investigations in toxinology, while persons who do not qualify for membership but are interested in the field of toxinology are eligible for associate membership.

Further information concerning the Society and applications for membership may be obtained from the Secretary-Treasurer.

Author Service Department: For queries relating to the general submission of articles (including electronic text and artwork) and the status of accepted manuscripts, please contact the Author Service Department: Tel.: +44 (0) 1865 843900; Fax: +44 (0) 1865 843905; E-mail: authors@elsevier.co.uk.

Publication information: *Toxicon* (ISSN 0041-0101). For 2000, volume 38 is scheduled for publication. Subscription prices are available upon request from the Publisher or from the Regional Sales Office nearest you or from this journal's website (http://www.elsevier.nl/locate/toxicon). Further information is available on this journal and other Elsevier Science products through Elsevier's website: (http://www.elsevier.nl). Subscriptions are accepted on a prepaid basis only and are entered on a calendar year basis. Issues are sent by standard mail (surface within Europe, air delivery outside Europe). Priority rates are available upon request. Claims for missing issues should be made within six months of the date of dispatch.
